## Mrs. Marsh Fatally Injured

Mrs. Hannah E. Marsh, residing 2 1/2 miles southeast of Laclede, was fatally injured in a runaway in Laclede about 9:30 Thursday morning. She had come to town with her son, E. R. Marsh, with a load of poultry. While the wagon was being unloaded, a train came along and whistled when just even with the horses. The team started to run toward the livery stable corner. When they crossed the railroad both Mr. and Mrs. Marsh were thrown back of the seat into the bottom of the wagon and when they turned the corner to go south at the livery barn the wagon tipped over with both underneath. The lines wrapped around a wheel and stopped the team before they were dragged far.

Mr. Marsh was dazed but not seriously injured when rescued, but Mrs. Marsh had suffered a fractured hip and a severe cut across the head, and other serious injuries. She was taken into the home of Mr. and Mrs. J. W. Power and surgeons summoned. After a time she recovered consciousness and it was decided to take her home, but she died a few minutes before arriving there. Her advanced age and the nature of her injuries made it impossible for her to rally from the shock.

Funeral arrangements had not been made as we go to press. Mrs. Marsh was a highly esteemed woman and her sudden death is a shock to the whole community. She was about seventy years old and leaves three sons, Eugene, who is in Oregon, Ernest and John of Laclede, and two daughters, Mrs. Mary Mary Welsh of Laclede and Mrs. Bertha Botts of Meadville, who have the sympathy of all in their bereavement.

## No Cholera in His Herd

It has been rumored that Dr. Z. T. Standly's hogs have or have had the cholera. This is wholly untrue. There has not been a sick hog on his farm in the past six months.

Z. T. STANDLY.  
OSCAR WEAVER.  
JOHN WEAVER.

## Public Sale

I will sell my household goods at public auction Saturday, Oct. 12, at 2 p. m. at my home on South State street, Laclede.

C. B. TALBOTT.

## Notice

I will make cider the first three days of each week at my farm four miles southwest of Laclede.

G. W. ESTES.

Genial, jolly "Pete" Felt blew in from Nezperce, Idaho, the first of the week for a visit with his host of old friends here. He is looking and feeling fine and has just traded for a 400-acre farm in western Kansas. He is undecided whether to go back to Idaho or to locate on his farm and grow up with the country, but will probably take a few months vacation from his work as cashier of the big Felt Mercantile company. Everybody, of course, was glad to see Mr. Felt again, to shake his hand and hear his cheery salutation.

The home of Mr. and Mrs. Dan Anderson in the northeast part of town burned about eight o'clock Wednesday night. They were not at home when the fire started and it is supposed to have started from a defective flue. None of the household goods were saved. The loss was partly covered by insurance.
